

This brochure lists known providers.  
The Community Medical Transportation  
Task Force does not endorse them;  
this is for information only.

The providers listed are for non-emergency  
medical transportation. If you need emer-  
gency transportation, please call 911.

Each provider will have specific policies  
regarding their service. You are  
encouraged to request their information  
when making an appointment.

Information in this brochure was gathered  
in the Winter of 2002. Please be sure to  
ask providers for current rates.
